ASB Club Descriptions

Destination Imagination (MS) - Destination Imagination is student-driven club that focuses on collaboration and teamwork. Teams are formed within the club based on interest, and each team specializes in a challenge in either fine arts, science, technical, engineering, service learning and improv. Each group presents a solution to their challenge which presented at the regional tournament in March. <https://www.wa-di.org/>

Drama Club (HS) - Looking to hone your acting skills? Maybe you want to try something new? How about you just want to act goofy with your friends? Any reason is great to come have fun with other HS students in DRAMA CLUB!!! We're an informal club that is committed to having a blast while flexing our dramatic muscles. No experience necessary. Come as you are. ALL ARE WELCOME!!!

E-Sports Club (HS) - E-Sports Club is a place to play video games in a fun and safe environment and gives students a chance to connect with each other.

Eco Club (MS) - Looking to help promote recycling, waste prevention, or resource conservation in our school? Would you like to build connections with your peers, add to your resume, and help the planet at the same time? Then Green Team would be a great club for you! Activities include: Make creative informational videos about ways to keep our school Green, start a school-wide student-run recycling and compost program, use recyclables to create art, take environmentally informative field trips, create and run assemblies promoting recycling and waste prevention and MUCH, MUCH MORE!

Game Club (MS) - Game Club is a place to try and explore new games in all their forms. Students are encouraged to bring board games, card games and even school appropriate video games. The goal is to provide a time and place for students to create a community around the shared experience of games. In the past, student have brought a wide range of titles including card games such as Magic the Gathering, Pokémon, and Yugioh. Come on by and let's have some fun!

Melee Club (HS) - Melee Club is a club that wishes to both expose and help people play Super Smash Brothers Melee at a competitive level, practicing with each other and perform in local tournaments.

The Panther Paper (HS) - The Panther Paper is a school newspaper on Adobe Sway. The goal is for people to express their creativity through writing, pictures and collaborating with each other. The paper covers past events, such as Spirit Weeks and PMUs, and covers upcoming events, like ASB activities. We're hoping to have cartoonists and artists on staff and are also looking for reporters who can interview people about their internships.

Puzzle Club (HS) - Puzzle Club welcomes any and all students to come and work their brain muscles with puzzles of various types – from the traditional jigsaws to escape-room like board games involving logic puzzles and strategy. All ideas are welcome and encouraged – so bring your own puzzle for all of us to work together on and enjoy.

S.O.A.R. Club (HS) - The SOAR Club is an acronym for Students Organized Against Racism! Have you ever wanted to learn how to have a safe, courageous conversation about race? If so, this is the club for you!!

Yearbook Club (HS) - Yearbook Club provides high school students with the opportunity to assist in yearbook photography, production and design.
